LUCKY READER!

Since I last appeared in your magazine, thinking about posing with one of your readers has had me hot as hell.

My old man said he'd never seen me so utterly bonkers randy.

In fact he's over the moon as I'm constantly in stockings and suspenders and shag him every chance I've got.

In his words I've gone from a boring woman to a cock-hungry housewife thanks to Escort.

One of your readers was just what I was after. Fifty plus and the perfect gent. After meeting me he led me to his sitting room to start a

I could see the bulge in his pants and my fanny started to get wet and tingly in anticipation of what was to follow.

Click, click, click went his camera and it wasn't long before I was down to just stockings and suspenders.

Soon he began to make excuses to touch me, rubbing his hands over my DD tits as he put me in different positions for his camera.

I ended up on the floor while he stood over me to take a down shot, his rock hard cock only inches from my face. I unzipped him, his dick sprang out and my wet lips opened up like a flower as I sucked that wonderful

We were both a bit nervous so to break the ice, as he was sitting down sorting out his camera I got up leaned over, keeping my legs straight, so he could see my pussy straight through my skimpy knickers.

I gripped his balls, all the while staring up into his eyes.

Trouble was, I wanted it up me so I bent over the back of an armchair and begged him to fuck me.

In no time at all he was up to his balls in me, shagging me silly. I can't remember how many times I came, but just as he was about

Shiver me timbers! I'd always thought pirates were meant to be horrible looking blokes with beards and peg-legs, but Caroline here's putting a very different spin on all that!

"Ah-ha! Well I've heard there were women pirates as well, and I bet they had a fantastic time of it, buccaneering around the seven seas getting up to all sorts of mischief – it would have been a lot more fun than most women had in those days!"

Possibly so, until they were caught, and, well, hung!

"Well hung, did you say? I bet those pirates were! One way or another, I bet there was a lot of jolly rogering going on!"

- he either! Well you giving the Ben Dover treatment to a whole new generation of sploshers, and things kick off with our very own April Paisley. He's soon got four fingers wedged up her juicy slit while he rims her tight bumhole and shags her silly. Others given the full-service include Chessie Kay, Lucia Love and Sienna Day. What a jammy git Ben is! Available from you local sex shop.

RACK & RUINED!

From a stud who's been around the block a few times giving it to some sprightly young slappers we now switch to a load of slightly long-in-the-tooth (but also big-in-the-boob!) MILFs getting on the end of some young cock! The randy tarts don't leave anything in the locker, either, with a couple leaving the back door open for their youthful bucks to plunder.

Fans of massive tits will delight to see Janessa's and Claudia's milkers quivering as they're reamed, while anal lovers are catered for by Michaela (complete with her comprehensively pierced pussy) and Rita. Women in their 50s and 60s don't come much filthier than this! Available from your local sex shop

Dear Julia

Ever since I can remember I've had a thing for girls with really severe fringes. I think it may have been because I was a massive fan of Chrissie Hynde when I was a teenager, but ever since, every time I've seen a girl with a fringe – especially a dark one – I've found it a real turn on, and Veronica in your last issue was just about the perfect example! She really looks like she wouldn't take any nonsense, and yet there she is, posing in Escort with her fabulous boobs and beautifully manicured cunt of full display for the nation's manhood to appreciate!

Over the years I've been lucky enough to go out with several girls with similar fringes, and I can tell you from personal experience that they're nearly always way better in bed than non-fringed girls! Apart from anything else they're far more receptive to some back-door fun, and I'd love to think Veronica shares this taste for anal – I've got a sneaky suspicion she does!

Andy, Wales.

Julia says: Maybe you're right - but what about girls that sometimes have fringes and sometimes don't? Do they go off bum-sex from time to time?

DEAR JULIA

Dear Julia

There is an old Polish proverb that means something like, 'Men are not dogs, so they are not interested in bones.' That means that they like their women to have a bit of 'something to hold onto' – and I couldn't agree more. Fashion these days seems to want women to get more and more skinny, when really the perfect shape should be something like Kylie in 38/9. Who in their right mind wouldn't want Kylie by their side in bed to keep them warm at night? I know I would! Piotr, Chelmsford.

Julia says: Good proverb! Maybe I will have another biscuit after all...

Fringe Benefits!

Ready for boning!

There's clearly something to be said for watching Exxxtra Small Chicks Fucking Huge Dicks, because Team Skeet have now put out 23 releases under that banner. First up is Tiffany, who's definitely a tiddler. Her English stud wastes no time in peeking off

her hotpanties and tiny panties before she whips out his prong. She can get about half in her mouth, but does better with her pussy, bless her. Three other cuties make this a cracking purchase. Available from your local sex shop.

Zabrina

Yes, we've got the decorators in - although not in that sense! Zabrina reckons she's pretty handy with a roller and a tin of paint, so when our shabby office needed a bit of a spruce up she was only too happy to lend a hand! Oh, but things didn't go quite according to plan - we left her to get on with it, and after a couple of hours we popped back to find her sprawled on the floor with paint daubed more or less everywhere except on the walls and a great big vibrator buzzing away between her thighs. Honestly, what's the point?!

REAL WIFE SEX

Married Linda develops a taste for fanny!

"She paused before spreading my lips and enthusiastically licking me out."

My hubby Ian and me had often fantasised about a sexy girl joining us in bed. When he was fucking me he would sometimes tell me how much he wanted to see me lick a cunt out, and this always turned me on and made me cum. One night we were out in a club. We'd both had a few to drink and felt randy. Ian told me tonight was the night for our fantasy. He said I should sit at the bar and have a drink while he went and pulled a nice girl to share our bed and bodies. I was really horny and desperate for him to find us a horny chick, though I wasn't convinced he'd be able to. He disappeared and I sat at the bar and waited. My freshly shaved cunt was beginning to get wet at the thought of a juicy threesome. Ian had been gone about five minutes when this gorgeous girl came

up to the bar next to me. She was wearing knee-high black leather boots, a short black skirt tight around her shapely thighs and bum and a white blouse unbuttoned to reveal pert tits popping out of a black bra. She had short blonde hair and gave me a lovely smile as she ordered a drink. She turned to me and asked if I wanted one, and I let her buy me another rum and coke. We got chatting and she told me she was here with a load of her girly friends on the pull. She said she was up for a fit bloke or a fit girl, whichever came her way first. As she told me this she moved a bit closer so her leg was touching mine. My pussy suddenly got a whole lot wetter when I realised she was coming on to me. My heart started racing and I decided I would just go for it. I moved my leg so my

thigh rubbed up against hers and hoped for a response. She smiled and her hand moved down to grip my thigh and rub it up against hers. Then she said the fit bloke would have to wait. With that she leaned forward and kissed me softly on the lips. I let my hands wander over her body, enjoying the curves of her bum. She pushed her body against me and started whispering in my ear. She told me her name was Susie and she wanted to taste my pussy. Then she told me there was a nice-looking bloke staring at us. I turned around to see Ian, who I had nearly forgotten about. I quickly introduced Susie to Ian and explained what had happened. Susie was eyeing Ian up and I could tell she fancied

especially when I felt Ian's rigid pole sliding into my cunt from behind.

I licked Susie's pretty cunt while Ian skewered me from behind with his big thick cock. I was delirious with pleasure.

I was determined to make Susie cum, and sure enough after a while she started writhing around all over the place and pulling my face into her cunt. I lapped furiously until she raised her hips off the bed, held my head tight over her cunt and came in my

him. "So that's decided then. We'll go back to your place and have a threesome!" Susie said. And that was it, we practically ran to the exit and got into a taxi.

During the short ride home there was a lot of fumbling, fondling and kissing. By the time we got back to the flat my pussy was drenched and Ian's cock was harder than I'd ever known.

We went straight upstairs to the bedroom and Susie started kissing me while Ian watched. Her hands went between my legs and rubbed my soaking cunt. She slipped her hand inside my knickers and guided two fingers inside me. Having a girl finger me for the first time was too much for me to take and I started cumming over her hand.

Susie then kneeled down in front of me and lapped at my cunt, tasting my juices. Ian had his cock out now and he was wanking away while he watched. She beckoned him over and went down on his cock. Her pussy was pouting between her legs so I went behind her and started to stroke her lips. She was shaved and very smooth. I parted her moist lips and inserted my middle finger into her pussy hole.

The sight of her beautiful bottom and pussy and her sucking my hubby's big cock was incredible. I wanted to go down and lick her pussy but I was a bit nervous. Instead, I kneeled next to her and helped her suck Ian's dick. He was going crazy with lust watching us suck his cock together.

He came with the most almighty splash right over our hungry little mouths. We

lapped up his creamy spunk and licked his cock and balls clean. Susie turned to me and licked a big globule off my cheek and passed it into my mouth with her tongue. The horny bitch then said it was time for her to eat my cunt.

I took the rest of my clothes off and lay on the bed. Susie climbed on top of me and opened my legs wide while she leaned over me and kissed me. She stroked my lips while making her way down my body with her mouth. After what seemed like ages her lips reached my pussy. She kissed my pussy and paused before spreading my lips and enthusiastically licking me out.

She wasn't down there long before I was cumming again. She gave me a really good licking. Ian was just watching us and stroking his cock back to life.

When I had cum Susie said it was her turn. We changed positions and it was time for me to lick my first ever pussy. I brought my face down between her legs towards her smooth, pink glistening cunt.

Clamping down on that big juicy

mouth.

With that Ian said he was going to cum. Susie told him to cum on her pussy so he rushed over to her and spurted all over her already sticky cunt. I squeezed his balls and sucked them dry. Then I went down on Susie's cum-covered pussy and licked Ian's cum off it. What an incredible night – and now we can't wait to get another girl into our bed with us!

"I kneeled next to her and helped her suck Ian's dick."

cunt for the first time was even more divine than in my fantasies. I couldn't believe how horny it felt to be making Susie moan and squirm. I was loving it,

SCREW DA BOSS!

My husband has wanted me to have another man for ages but I wasn't sure until I got a new boss at work. I work as a secretary for a large firm. My new boss John was older than me at 48 but very handsome.

One dinner time he suggested a working lunch over the pub. After a couple of drinks he was stroking my leg under the table. When I offered no resistance he went higher and rubbed my pussy

through my knickers.

He then suggested we go to the field at the back of the pub. Once there, John tore my knickers off and finger-fucked me with three fingers.

I couldn't believe I was letting this dirty old man twice my age have me but I couldn't stop myself. I grabbed his cock and sucked him to his balls. He licked my pussy and slowly inserted his thumb up my bum. I needed cock in my pussy and

climbed on top of John and rode him, my juices flooding over his balls.

John flipped me over and fucked me doggy-style, making me cum.

He kept telling me I was a dirty little slag.

Then I felt him stiffen and shoot his spunk right up inside me. He then took these photos and told me to show my husband what he'd done to me.

I decided to show Escort readers first, but I'll probably get a fucking again when my husband sees, as he doesn't know yet!

Linda, W. Mids.

Kloe likes to think of herself as being pretty good among the balls, although her pool-playing skills were nothing to write home about...

"No, I'm rubbish at pool, but there are ball games that are much more fun – my favourite is draining them! The most I've ever managed in one session is eight (well, four guys' worth!), but I'm hoping that by appearing in Escort I'll be able to drain hundreds of balls at a time – that's far better than playing pool, don't you think?"

Yep, it probably is, so here's hoping this appearance will prove to be your big break!

"I really hope my mum doesn't ever see these pics!" frets Charlie as she sets about peeling off for this shoot.

Well, she's probably not our target audience, and yes, perhaps she'd be a bit taken aback to find out her daughter was getting her bits and bobs out in Escort!

"No, it's not that – she knows I do a bit of modelling and she's fine with that – it's this sofa! She's had it for years and is always paranoid about keeping it clean. If she saw me frigging on it she's go ballistic!"

SOPHIA AND TASHA

It's a well-known fact that most men go weak at the knees at the sight of a cracking pair of boobs, but it's not so well-known that plenty of women feel the same way about them! Despite having a spectacular rack herself, Sophia Delane's clearly one of them!

"Is it that obvious? Yeah, I've been fascinated by bobs since I was a little girl. Once I'd grown my own you'd think I'd have got over it, but if anything I'm more interested in them than ever! So when the opportunity came up to get together with Tasha here, I didn't even have to think about it!"

And what about you, Tasha?

"Yeah, boobs are lovely, but what I'm really interested in is Sophia's pussy!"

Well this is turning out to be a bit of a red letter issue for lovers of red-headed girls, what with Charlie earlier on and now Roxi Keogh and her magnificent flaming mane!

"I have to confess it's not really this colour, though, so don't go making assumptions about me having a fiery temper or anything like that, alright?!"

OK, we were pretty sure it wasn't quite the natural colour – Charlie's too, in fact. Still, It's really eye-catching – almost enough to divert our attention from that stunning arse of yours, in fact!

Lana

As far as morning ablutions routines go, Lana's has got to be one of the most energetic we've ever seen – not to mention one of the most arousing! She's got a strict number of stretching exercises she likes to get through, just to make sure she keeps in shape, and then, especially for us, a little shave of the snizz to keep everything in shape downstairs as well!

"I used to do gymnastics, and I like to keep supple! Besides, guys love it when I can do this sort of thing when we're fucking, and I'm pretty keen on it myself!"

Doggers' Delight

My wife is a slut and I love watching her fuck other women. As we live in a small village we soon ran out of open-minded couples so we were forced to take to the road.

Having read in the local paper about a dogging site nearby I didn't need to spend long convincing Lorna to jump in the car.

We soon found the site and gingerly wandered over to a black BMW that was parked up. It was dusk and it we had to get quite close to see what was happening in the car. Inside we saw a black bloke ramming his cock into

his bird's mouth. They saw we were watching and were loving it, the woman pressing her cunt against the window so Lorna could get a good look.

I slid my hand up Lorna's skirt and fingered her sopping wet pussy. After a few minutes the bloke said something to the woman and she opened the door and asked Lorna if she wanted to take her husband's cock.

I said she didn't like doing that, but Lorna looked at the guy's massive hard cock and smiled. I felt my cock twitch in anticipation and knew I

would be ready for more if I could see his cock deep in my wife's hole.

As she climbed in over the woman and lifted her skirt so we could all watch her being taken, I felt a warm mouth

wrap itself round my cock. A woman had come out of another car and was sucking my cock while enjoying the show with me. Her husband must have been sat inside, watching me skull-fuck his wife through the tinted windows. I saw

my wife's cunt licked and caressed by the black man and finally penetrated by his huge cock. All the time his wife was splayed on the back seat, fingering herself, tweaking her nipples and shouting encouragement as my wife gripped the steering wheel as she was done doggy-style.

I could see her going red in the face, her face contorting as the black man fired his cum into her and that set her off.

Nothing turns her on more than a man cumming.

The man got off her and the woman in the back seat leaned forward and began eating the spunk out of her well and truly fucked pussy.

The woman who was sucking me off had her fingers far up her pussy, wanking over the brilliant scene.

I had her hair in handfuls as I pumped my cock between her lips and decorated the back of her throat in my spunk.

We both came harder than ever before and are now seeking loads more men, and women, to come and fuck my wife.

Mike and Lorna, London.
